- Google Analytics 4 (GA4) Essential Training (Dec 2024)

Experience

Website Operations Consultant, Independent Contractor, North Andover MA (2016–Present)

- Returning to client work after a decade devoted to full-time parenting and writing; now accepting website management clients and contract engagements
- Stayed technically current through 12 professional certifications (2024–2026) in data analytics, UX design, cybersecurity, and digital marketing
- Hands-on portfolio work: SQL/Tableau dashboards with automated reporting; UX case studies with usability research
- Production experience across web operations, CMS security, technical SEO, and incident response
- Designed, built, and launched **A New Chapter Tracker**, a subscription PWA for GLP-1 medication tracking (Oct 2026): offline-first installable web app with injection logging, weight/measurement/photo progress, side effect journaling, Stripe subscriptions ($3.99/mo, $29.99/yr), Google Analytics, and WCAG-conscious accessible design

Independent Author, The Ledger Series, North Andover MA (2016–Present)

- Author of The Ledger Series, a trilogy about AI systems and the people who live with them; published via Amazon (amazon.com/author/millrjess)

Chief Digital Strategist, Independent, Greater Boston MA (2011–2016)

- Directed web operations and migrations for national brands; maintained top SEO rankings
- Increased organic traffic by 25–40% via proactive technical health audits and UX improvements

Senior Consultant, NTT DATA (Contract), Boston MA (2011)

- Conducted enterprise-level UX and usability audits for financial platforms

Digital Transformation Consultant, Independent, Greater Boston MA (2004–2010)

- Built scalable e-commerce platforms and full-stack SEO strategies to drive brand revenue

Early Career, Web & Digital Design (2000–2004)

- Developed websites and marketing assets for small businesses during early digital expansion
